Our next exciting restoration project will be work in the Kitchen/Dining Room area of the historic Stark Schoolhouse. We will be applying for Montana History Foundation matching grants to fix the ceiling; repair holes in the walls; repair/replace missing molding; fix a door; replace some lighting, and paint! It's ambitious, and expensive, but with your help we know this important work will be something the community is proud of! Come by on Christmas Eve and we'll show you the project.

As 2017 comes to a close, we thank all of you for your participation and support this year, and wish you and your loved ones a Happy Holiday season, and a safe and peaceful New Year.

Please consider us in your year end charity donations. The NMCC is a 501 (c)(3) nonprofit organization. You can donate to us either through our website, or send a check to our mailing address (P.O. Box 1061; Frenchtown, MT. 59834). Donations can either be restricted to a project you care about, or unrestricted, which means your donation will go to where the need is greatest. *Every* donation is so helpful, and we are grateful for each and every one!
